HOW TO REQUEST A MENTOR

How to connect with a mentor

Navigate to www.meetmaysmbas.com and select the MBA Program Admin button. Insert MentorMBA25 password and begin researching our list of Advisory Board members available to serve as a mentor. Remember, this is meant to be purposeful and it's your chance to make a first impression!

You will initiate contact by sending a message using the framework below. You can adjust certain portions based on your personal needs from the mentoring relationship.

Address why you think this mentor would be a good fit for you

Conclude with a thank you
