EXPERIENCE

AT&T Inc.

Dallas, TX

Sr. Associate Financial Analysis Intern

June 2024 – Present

- Spearheaded quarterly competitive analysis, benchmarking 4 competitors through financial and operational metrics, and leveraging data-driven storytelling in slide decks to illuminate competitive positioning
- Delivered critical ad hoc support through financial research and analysis on strategic initiatives including satellite technology integration and ESG program development seen at the executive level
- Crafted a high impact investor relations deck featuring incisive economic trends, granular financial statement breakdown, and key valuation metrics (ROE, P/E, EV/EBITDA) to assist in long term decision making

Cadence Surgical Solutions

Houston, TX

VP of Operations

December 2021 – October 2023

- Enhanced stakeholder communication strategies, resulting in a sustained 20%+ monthly increase in account retention and growth
- Engineered and implemented adaptive patient care protocols, featuring 30-day check-in cycles with attorneys and patients, eliciting effective patient care outcomes and satisfaction
- Developed and implemented company-wide underwriting standards, optimizing interdepartmental operations and facilitating the successful funding of over \$3 million in accounts receivable
- Spearheaded operational launch in Arizona market, swiftly identifying and addressing risk by innovating solutions such as transitioning from Letters of Protection only to the addition of a proprietary lien

Prestige Healthcare Associates

Houston, TX

Case Manager

September 2020 – November 2021

- Managed 190 cases from various payers, including Worker's Compensation, Department of Labor, Private Insurance, and Major Medical, ascertaining that all patient's needs are met in a timely manner
- Supported the care of 25+ clients per day, while also ensuring clients have a supervising staff member at all times, assuring physical therapy treatment goals and objectives are met
- Prepared preauthorization for surgery and processing of referrals, to facilitate smooth and well-structured treatment for a busy orthopedic practice

LEADERSHIP & INVOLVEMENT

Aggies in Business

College Station, TX

Member

October 2023 – Present

- Conducted comprehensive due diligence on pre-seed and seed-stage startups, evaluating business models, market potential, and financial projections for recommendation to the Aggie Angel Network

The Big Event

College Station, TX

Volunteer

March 2016 – March 2019

- Collaborated with a team to complete service projects for an organization which has dedicated 1,144,872 hours to helping residents since 1982.
