## EXPERIENCE

---

### AT&T

Dallas, TX

*Sr. Associate FLDP Financial Analysis Intern*

June 2024 – August 2024

- Spearheaded the CFO supported financial workflow transition, leveraging advanced technology to achieve \$100 million in cost reductions while reinforcing company core values and enhancing operational efficiency
- Provided high-level support to controllership leadership, including drafting board communications, developed precise net present value and internal rate of return models, and managed critical financial/accounting projects
- Analyzed financial statements covering \$4.6B in Free Cash Flow, synthesizing complex data to identify industry specific trends and provide detailed explanations, influencing executive decision-making

### IBC Bank

Oklahoma City, OK

*Associate, Commercial Banking*

August 2022 – June 2023

- Analyzed profit and loss, balance sheets, and business trends to assess risk and determine debt structure for opportunities on a daily basis which resulted in building customer relationships and profitability of the bank
- Managed and developed an active commercial portfolio of approximately \$9MM, which resulted in zero past dues greater than 30 days and maintained all loan exceptions to stay less than 12% on average at a given point
- Led special projects, including working with Senior Management and the COVID-19 forgiveness program

*Credit Analyst, Commercial Banking*

September 2021 – August 2022

- Created and analyzed financial statements, spreads, and financial data using liquidity and profitability ratios to assess the credit worthiness and financial condition of a company/borrower to provide recommendations
- Managed ongoing reports on a weekly basis to track performance and stay in compliance 100% of the time
- Performed loan reviews on 80% of a ~\$850MM portfolio to provide a loan risk rating based on performance

### McLain Cleaning Company

Edmond, OK

*Operations Specialist*

March 2017 – September 2020 / February 2021 – September 2021

- Strategized operating processes to eliminate the bottleneck by focusing on continued growth for the company and splitting teams to complete more workflow in a day which resulted in increased efficiency by 45% YoY
- Managed daily/weekly schedules and reports in order to keep customer retention greater than 95% annually

### AmeriSave Mortgage Corporation

Edmond, OK

*Jr. Underwriter*

September 2020 – February 2021

- Reviewed income conditions prior to underwriter; clear, reject, or add necessary conditions for all loan types (conventional, FHA, etc.) on ~eighteen applications/day which led to being a top 5 performer on the team
- Evaluated and reviewed all income types to assess the eligibility of the borrower based on a DTI that's <45%

## LEADERSHIP & INVOLVEMENT

---

### Aggies in Business (AiB)

College Station, TX

*Director, Venture*

September 2023 – Present

- Led the MBA student organization connecting startups with angel investors by helping facilitate \$50K-\$150K individual investments in partnership with the Aggie Angel Network and coordinated due diligence processes
