EXPERIENCE

PricewaterhouseCoopers, San Francisco, CA

January 2020 – February 2023

Financial Due Diligence Senior Associate

December 2021 – February 2023

- Participated in four private equity buy-side M&A transactions with target companies bringing in over \$100 million in annual revenue.
- Contributed to preparing quality of earnings reports by analyzing the accuracy of and adjusting management EBITDA figures
- Assessed recurring earnings by analyzing seasonality, concentration, revenue growth, impact of deferred revenue, COGS breakdown, etc.
- Highlighted earnings and working capital trends and acquired with clients' M&A team to further understand and determine the underlying key performance drivers.
- Prepared economic balance sheets (BS) from GAAP BS and analyzed underlying relevant net working capital accounts to calculate due diligence adjusted net working capital
- Performed debt & debt-like analysis to find "true debt" levels (including hidden & off-BS items)
- Identified non-financial risks & opportunities to consider in a transaction context
- Collaborated with other due diligence work-streams (e.g. Tax, Legal,) to finalize FDD reports

Assurance Associate, Financial Services

September 2020 – February 2023

- Conducted five year-end audits for clients in asset management, investment banking, fintech, real estate, and venture capital with over \$2 billion in revenue.
- Centralized working papers detailing general ledgers by financial statement line items
- Performed tie-outs, and substantive testing providing reasonable assurance over material financial elements, i.e., revenue, A/R, A/P, operational expenditure, capital structure, etc.
- Tested business process and internal controls identifying weaknesses & deficiencies in design or operations and suggesting remedies to identified risks
- Led client calls discussing material matters and collaborated with upper management on document deliverables
- Coordinated with PwC Advisory Acceleration Centers (ACs) & efficiently coached AC teams to deliver quality workpapers decreasing the workload performed by US engagement teams for timely filing

Assurance Winter Intern, Financial Services

January 2020 – March 2020

- Chosen along with 9 interns out of 12,000 applicants to represent the west coast for the PwC international internship experience in Dublin, Ireland.
